MOTION TO CONTINUE

I, LynAriane Lucas plaintiff, humbly request that this court continue the currently scheduled trial date of March 18, 2025 to a date after March 21, 2025.

Reason:

March 17 – 21, 2025 is the time period for 'MATCH WEEK' a critical process by which US medical residency training programs participate in the acquisition of medical residency positions. It is very important that I actively participate in this process.

I apologize for not having this information available to present to the court sooner.

I respectfully ask that the Court via the Honorable Andrea R. Wood please grant this MOTION TO CONTINUE and reschedule the trial date for the aforementioned reason.

Respectfully Submitted by,

LynAriane Lucas
